## OCTOBER CAMP

We had so much fun at our October Camp, with games, gymnastics and challenges. It was great to see some familiar faces as well as some new ones.

Our Thursday class split into two teams to build a rocket and a house! They were both brilliant.

## WHAT'S NEW?

Welcome to November's newsletter - time is really flying by! We hope everyone enjoyed October week and had a well deserved break.

We're looking forward to the end of year competitions and displays coming into the Winter season.

## HALLOWEEN PARTY

Thanks to everyone who came along to our spooky bash! There were lots of amazing costumes.

What was your favourite part?

## SUCCESS AT LOULÉ

Huge congratulations to Charlotte in her first international final at the Loulé Cup in Portugal. Her score put her in joint fourth but due to tie break rules she placed fifth. A tremendous effort and well deserved.

Coach Fraser said 'Will take valuable experience today and look forward to her next one. Couldn't be more proud of her'.

**Saturday 12 & Sunday 13 November**

Our Display Gymnasts have a busy month, with Sapphire display on 6 November and GymFest the following weekend.

They will be performing at GymFest in the Sunday morning portion of the event. It's a great chance for gymnasts across the country to come together and show off their creativity and skill. Most importantly - it's a lot of fun!

You can buy spectator tickets by scanning the QR code if you still haven't! Good luck everyone.

### ACROBATIC BRITISH CHAMPIONSHIPS

Best of luck to our FIG partnership Muireann, Ellen and Gaby competing at the Acro British Championships in Stoke-on-Trent. The girls are competing in the 11-16 years category, performing their Balance and Dynamic routines.

## CAR PARK SAFETY

The club's landlord has contacted us after receiving a complaint from one of our neighbouring companies.

**Please ensure your child is not running outside** near the cars as this is a health and safety issue which could have serious consequences.

Thank you for your cooperation with this issue.
